

We bring plastics to life.

As your system supplier for medical technologies, diagnostics and pharmaceuticals, we construct, develop and produce your ideas. Maximum precision in both, our in-house tool making as well as our clean room production, is our passion.

- Uncompromising quality
- Globally active family-run company
- Additive manufacturing and prototype development
- Production capacities for several million parts and systems every year
- Experience and clear focus on clean room production (ISO 7)
- Certifications: DIN EN ISO 13485, 9001, 50001
- In-house tool construction & maintenance: flexible, fast and high availability
- Injection molding, extrusion blow molding, assembly, packaging, and sterilization: All-in-one by Riegler

Your project with Riegler.

You have an inquiry, require technical advice or would like us to call you back?

Then please get in touch with us.

We are there for you.

Use the contact form on our homepage, write us an e-mail or just call us.

A Wirthwein-group company

**RIEGLER**

Forming Innovation.

THE PURE **FORM** FOR  
MEDICAL, DIAGNOSTICS  
& PHARMACEUTICS.

# YOUR PARTNER FOR PLASTIC SYSTEMS AND COMPLETE SOLUTIONS

## Diagnostics

Application areas:

- Diagnostics systems for automated blood analysis
- PCR diagnostics (e. g. tubes & stripes)
- Laboratory diagnostics (e. g. petri dishes)
- Systems for DNA analysis & DNA duplication

## Medical Technology

Application areas:

- Micro molded parts made of thermoplastic materials
- Tubes and flanges for hemodialysis
- Systems for ophthalmological applications

## Pharmaceutical Industry

Application areas:

- Rapid test devices (e. g. for ATP measurements)
- Dosing and closure systems
- Plastic bottles for drugs and sensitive active ingredients
- Primary packaging for maximum patient safety

## Packaging

Application areas:

- Closures and covers
- Bottles, containers and cans
- Application systems and mixing systems
- Primary and secondary packaging

# 1 billion

PLASTIC SYSTEMS

- 330 EMPLOYEES
- 100 INJECTION MOLDING MACHINES
- 70 YEARS OF EXPERIENCE AND KNOW-HOW
- 20 ASSEMBLY MACHINES
- 15 EXTRUSION BLOW MACHINES
- 3 LOCATIONS
- 1 PARTNER & SYSTEM SUPPLIER

*We are Riegler*
